Grüner Veltliner Karmeliterberg 2013 Kremstal DAC

the classical one

wine description	In the nose stone fruits, golden delicious apple and pears, a hint of herbs and meadow. The Karmeliterberg shows itself very straight and variety-typical, peppery, spicy. Makes appetite for more.

It is a part of one the mightiest loess sediments in Europe, Its name – originally probably “Gelb-ling” (“yellowish”) – refers to blazing walls behind the vineyards. The terraces on Gebling, which start directly behind the cellar, are eminently suitable for spicy Veltliner and minerally Riesling.
