| wine description     | Classic Riesling fragrance. Delicate pineapple, passion fruit and a hint of lime zest. Mineral. Juicy, white hints of stone fruits, very discreet sweetness, complex, with plenty of extract. Finesse acidity bow, crystal clear structures. Very high development potential.                                                                                                                                                                          |

| vineyard             | „Gebling“ of Rohrendorf ( <b>1<sup>GW</sup></b> first site)<br>The Gebling is a significant hill north of Rohrendorf reaching down to Krems. It is a part of one the mightiest loess sediments in Europe. Its name – originally probably “Gelb-ling” (“yellowish”) – refers to blazing walls behind the vineyards. The terraces on Gebling, which start directly behind the cellar, are eminently suitable for spicy Veltliner and minerally Riesling. |
