Sauvignon Blanc 2015

the variety typical one

wine description	deep aromas of nettles and matured black currents. Herbal and flower meadow hints. Balanced, melting in the mouth. The tender sparkling acidity matched perfect to the elegant style.
drinking suggestions	our favorite wine to trout, but fits also to Chinese or Japanese kitchen
region vineyard	Kremstal Wolfsgraben (wolf's ditch) You wouldn't expect what a picturesque and lovely place is revealed behind this menacing name. Located on a plateau you reach the vineyards though a ditch covered with vines on both sides. These vineyards, first documented in 1284, are determined by deep, fat, loamy soil. And the flourishing vines yield fruity yet intensive wine.
